WHO WE ARE

Khabarchhe.com is proud to be Gujarat's first Digital news platform. Now Khabarchhe.com is going to become Gujarat's largest news aggregation platform where you find every single news covering Gujaratis living in and out of Gujarat in our own language.

We proudly cover Gujarat's politics, governance, our flavored life-style, art and culture we adore, movements taking places in Gujarat, ups and downs of businesses, real estate, agriculture and most importantly we bring you every small detail of what's happening at district level.

We are trying our level best to give voice to Gujaratis who are unable to reach out to the Government where we push unheard issues to the Government bodies for the betterment of the society.
